

Guidelines for Grants to Local Arts and Culture Organizations

MAC Statement of Guiding Principles

1. Part of the MAC mandate is to support local Arts and Heritage organizations. We allocate a portion of the funding we receive from the White Valley Parks, Recreation, and Culture Committee to provide project grants for this purpose.
2. Guiding Principles – MAC will award grants that will:
 - Contribute to the development of Arts and Heritage in our community
 - Engage community members as leaders, creative participants, and audience
 - Promote the development of community organizational capacity to deliver Arts and Heritage works and programming and strengthen the organization in carrying out its mission

Guidelines

Eligibility – grant recipients must be non-profit organizations, based in the Monashee, whose primary purpose of the project is to foster the delivery of arts, cultural, or heritage programs and activities.

Proposed projects should include:

1. A description of the project – including purpose, target audience, timeline, and intended outcomes
2. A financial plan and/or budget
3. A final report within 60 days of project completion

Maximum grant – individual grant allocations (per proposal) are limited to \$2,500.

Application Deadline: April 12th/2022

Evaluation Criteria

1. Clear statement of Goal
2. Potential impact on the growth of arts and culture in our region and on the development of individual artists.
3. A plan to measure the success of the activity or program.
